

Greetings from the Governor

August 9-11, 2019

I am pleased to extend my congratulations to the Washington State Trappers Association (WSTA) on their 50th anniversary as an organization.

I hope that this weekend will be a great celebration of our state's trapping heritage. The rendezvous will include events such as trapping demonstrations and talks by some of the most renowned professional trappers in the state of Washington.

I recognize the contributions that the WSTA has made in the conservation of our animal resources in cooperation with the Washington State Fish and Wildlife Department. The WSTA educates Washingtonians regarding the necessity of a sustainable harvest of furbearers.

I wish you a happy summer rendezvous and the best of luck on your next 50 years.

Very truly yours,

Jay Inslee
Governor
